## Sponsorship Opportunities

# EARTH DAY FOOD & WINE FESTIVAL

The 6th annual Earth Day Food & Wine Festival is a weekend celebration at locations throughout the Central Coast. The feature event is held on Saturday afternoon with over 250 purveyors of award-winning, sustainably-produced food and wine. Growers, vintners, and chefs come together to serve delicious, one-of-a-kind dishes made with locally sourced fruits, vegetables, meats, cheeses, olive oils, and more. Guests enjoy live music, a silent auction, unlimited samples of local cuisine, and a chance to meet the farmers who grow great food and wine while nurturing a healthy environment.

The Earth Day Food & Wine Festival is a zero waste event; in 2011 the event produced only 1.75 lbs of trash for over 1,000 attendees, provided shuttles to 50% of the guests, solar powered the entertainment stage, and provided all compostable and recyclable supplies.
